## Institution description

Pope Woodhead & Associates Ltd is an independent consultancy providing consulting solutions to the life sciences sector. Pope Woodhead is a thought leader in risk management. We specialise in the development and implementation of risk management plans in Europe, the US and Other markets. We provide a comprehensive range of risk management services throughout the product lifecycle – from development-stage and submission-ready RMPs and risk management documents to the design, implementation and evaluation of risk mitigation and pharmacovigilance (PV) activities.

## Institution details

**Experience with collecting data directly from individual patients or respondents:**

Yes

---

**Interest in carrying out research that is funded by pharmaceutical companies:**

Yes
