Institution description

Centro Studi GISED is a legally recognized non-profit association,established in 2002,with the aim of improving clinical and epidemiologic research in

Dermatology. A special focus is on the efficacy and safety of medical interventions. Centro Studi GISED is participating in the Inter-Universitary Centre Thomas Chalmers of the University of Milan,and coordinates the activities of the Italian Group for Epidemiologic Research in Dermatology (GISED) within the Italian Society of Dermatology and Venereology (SIDeMAST). The Centre is based at the Presidio Ospedaliero Matteo Rota in Bergamo. Large experience has been acquired in networking and in the organization of collaborative research at a national and international level. The staff of the centre includes clinicians,epidemiologists,biostatisticians,mathematicians,biologists,sociologists,and administrative staff.
