No

Institution description

We are a global network dedicated to getting rare medicines to hard-to-reach patients worldwide. For over 30 years, we have delivered on every aspect of this vital transaction; from early access all the way to full commercialisation, including patient support programs.

We also conduct observational studies including Non-Interventional Post Authorisation Safety Study (NI-PASS).

Institution details

Experience with collecting data directly from individual patients or respondents:

Yes

Interest in carrying out research that is funded by pharmaceutical companies:

Yes
