Institution description

Academic research organisation and a 100% subsidiary of TUDAG (TU Dresden AG; www.tudag.de/der-verbund/). Conducts its own research projects, university projects, and contract research for pharmaceutical companies. 30 years of experience with a global expert network. Certified quality management (DIN ISO 9001:2015) and a risk management framework in accordance with ISO 31000:2018.

In collaboration with its partner institution, 3P Consulting, GWT-TUD's Innovation Center Real-World Evidence (https://www.g-wt.de/en/clinical-studies/expert-network/real-world-evidence-rwe) is one of the most experienced providers of registry-based real-world studies in Germany and an established partner for such projects across Europe, as reflected by its long-standing registry activities and visibility in public registry databases, including the German Federal Ministry of Health's medical registry directory.
