Institution description

Alfasigma is one of Italy's leading pharmaceutical companies with a strong international positioning. The Group has a worldwide presence in over 100 countries where about 3000 people work in research, development, production and distribution. In Italy, Alfasigma is a leader in the prescription products market where, in addition to its strong focus on gastro-intestinal products, it is present in several primary care therapeutic areas. Its historical headquarters is in Bologna, to which is added Milan, while the production sites are: in Italy, in Pomezia (RM), Alanno (PE), Sermoneta (LT) and Trezzano Rosa (MI); and abroad in Tortosa (Spain) and in Shreveport (Louisiana, United States). The R&D laboratories are in Pomezia and in the Parco Scientifico Tecnologico Kilometro Rosso, Bergamo. Alfasigma's mission is to improve people's health and quality of life by offering caregivers and healthcare personnel therapeutic solutions according to the highest standards of quality and safety.
