ENCePP partner

Yes

Institution description

Situated at the convergence of applied data science and pharmaceutical science, we leverage large biomedical data and pioneer top-tier Artificial Intelligence solutions and intelligent automation tailored to Pharmacovigilance and Pharmacoepidemiology. With robust industry and regulatory partnerships, we address complex challenges and explore research questions within these domains.

Institution details

Experience with collecting data directly from individual patients or respondents:

No

Interest in carrying out research that is funded by pharmaceutical companies:

Yes
