Institution description

With 4 hospitals and 3,400 beds, the Assistance Publique - Hôpitaux de Marseille (AP-HM) is the 3rd largest university hospital in France. It is also the largest employer in the region, with more than 12,000 employees and nearly 2,000 doctors.
Its missions are care, training, research, prevention and health education.

Its establishments offer all specialities, from local care to advanced treatment of complex and rare diseases, for adults and children.

Its medical and care teams are committed to a dynamic of excellence and proximity, accessible to all.
