Network description

ERN-EYE is a European reference network dedicated to Rare Eye Diseases.

ERN-EYE covers 24 out of 27 EU countries, with 52 full members and 8 affiliated partners, across European Union to guarantee the best coverage of more than 900 Rare Eye Diseases.

The coordinator is Pr H el ene Dollfus, H opitaux Universitaires de Strasbourg, France.

All members were approved by their national authority and positively assessed by an independent body.
