Institution description

Unidade Local de Saúde (ULS) São João is one of the largest academic healthcare institutions in Portugal, integrating the São João University Hospital Centre (Porto

and Valongo sites) and primary healthcare units serving the Maia, Valongo, and Eastern Porto regions.

The institution provides tertiary and quaternary care across a wide range of medical and surgical specialties and maintains close links with the Faculty of Medicine of the University of Porto. ULS São João is actively involved in clinical research, clinical trials, pharmacovigilance, and real-world evidence generation, supported by dedicated multidisciplinary clinical and research teams.

Institution details
