ENCePP partner

No

Institution description

The Edinburgh Cancer Centre provides comprehensive cancer care for the South East Scotland Cancer Network, serving patients within the 4 regional Health Boards – NHS Lothian, NHS Fife, NHS Dumfries and Galloway and NHS Borders. Our data includes hospital data, cancer staging, chemotherapy, and many other data (see our website below). We are a team of enthusiastic oncologists, data specialists and health economists.

Institution details

Experience with collecting data directly from individual patients or respondents:

No
