# Network description

No

The European Pharmacoepidemiology and Pharmacovigilance research network (EU PE&PV Research Network) is a public academic partnership led by the

Division of Pharmacoepidemiology and Clinical Pharmacology at the Utrecht Institute for Pharmaceutical Sciences (UIPS), Utrecht University, The Netherlands. The EU PE&PV Research Network brings together 27 European research centers in 13 countries.

Established in 2015, the network has, as of February 2024, successfully completed 12 projects spanning different therapeutic areas. All projects are registered in the EU PAS register.
